BRANDS

Over the years, the company has built up a reputable image containing many well-known and international brands. SPK currently boasts a portfolio of over 3,500 products from over 55 manufacturers, categorised by our 7 dedicated channels:

- **Stationery & Office Supplies**
- **Information Technology**
- **Batteries & Power**
- **Lighting**
- **Cables**
- **Cleaning Facilities & Packing**
- *Security*

SPK hold excellent, long-term relationships with all of the vendors we work alongside, including Pilot Corporation, Plus Corporation, Panfix and SDI. We also continue to offer our resellers an innovative and broad product mix through a number of Cyprus exclusive distribution deals with vendors. With such a dynamic product offering, we are able to support our reseller base with continued growth, which in turn aids our customers in reaching new markets and audiences.

In addition to our ever evolving product range, we ensure that no matter how large or small a customer may be that they receive the same personal service through our dedicated Account Management. This is provided by our sales team who liaise directly with our in-house Product Managers and vendor representatives in order to provide the most efficient and quality service possible.
